FYI: One of the most common questions we are asked is "How much does it cost to adopt an animal from ?" Usually adoption is for FREE but it is up to the discretion of the adopter if they would like to make a donation to rescuers.

However, the expenses of rescue animals are always paid by rescuers. Please note we are independent and volunteer rescuers and fosters, meaning a non-profit animal rescue group. Any donation is highly appreciated. We rely on donations from kind hearted individuals which is then in turn used for food, vaccinations, grooming, deworming, defleaing, desexing, and transportation.

Your understanding and support is much appreciated by the group and the animals.

Thank you for your support!
